INTRODUCTION

Do you know that you are in the Spiritual Battle of your life? The Bible is absolutely clear. It says, “Satan prowls around like a roaring lion seeking someone to destroy.” In the beginning, Satan manipulated Eve by tempting her with the words: “Did God actually say...?” He continued generations later when he accused Job of being righteous only because God was protecting him. Later, he tempted Jesus in the desert by twisting Scripture. Again, Satan influenced the Apostle Peter to the point where Jesus had to rebuke Peter by saying, “Get behind me, Satan.” In the end, Satan will be silenced. The end is not yet here. Satan continues to prowl and destroy the lives of non-believers as well as the testimony and influence of believers. Even though we...

don’t see him, we can see his destruction all around us. Satan and his helpers—evil spirits—are supernatural beings that are as real as the words on this page.

Murder and sexual abuse are obvious examples of Satan’s destructive power. Yet today, one of his primary tactics is to stay unseen while weaving his temptations in our daily activities.

The Christian father who works so hard that he divides himself from his family or the Christian mother who believes that God has given her permission to divorce her difficult, but monogamous husband, are examples that come to mind. Destruction of our relationship with God and His people is Satan’s goal.

We (the group of men who developed this study) are from different walks of life: an airline pilot and business owner, a construction executive, a psychiatrist, an international ministry leader and a real estate investor. The oldest was born in the 1930’s as Hitler was coming to power and the youngest in the 1970’s as Nixon was losing his. We came together because we are united in devotion to Jesus and our belief that, in today’s world, the supernatural is overlooked, avoided and/or fictionalized. Our society is disconnected from what is really going on in the spirit realm.

We may not realize that God is intervening in our daily lives on our behalf. Also, we may not be aware of the destructive influences from real spiritual beings who are active in the world and in our lives. Despite the fact that the Bible speaks often and clearly of the reality of the supernatural, it is not widely taught, discussed or believed in by our “enlightened” culture— even in many churches. Everything is explained in rational, “natural” terms.

We authors have had times of struggle and trial because we did not fully understand the supernatural around us. Jesus won the victory but the battle continues. God has taught us many things we would like to share with you so that we can walk together in the fullness of the presence of our loving God. The Holy Spirit and the Bible make us aware of and give us discernment about these unseen powers so that we can live in hope and love, trusting in the truth of Jesus Christ.

In this, “The Spiritual Battle of Your Life” study, we will discover and discuss what the Bible says about the character and activity of the unseen beings in the Kingdom of God and in the Kingdom of Satan. As we study the Word of God, it will expand our knowledge, faith and trust. We will learn to discern what is true and what is deceptive. Most importantly, questions are asked that will cause us to examine our beliefs and then guide us to live in the truth, experience God’s best, have victory over sin and receive freedom from bondage. We will learn how to avoid Satan’s traps.

God sent us the Living Word of God, Jesus to instruct us, and He sent the Holy Spirit to empower us from within to resist and overcome the schemes of the devil. Thrice equipped by Him, we can live in the Truth and give God glory, rather than being used by the devil—even unconsciously—to destroy. THAT is what is at stake. Our spiritual battle is not easy, but Jesus has given us the authority, the weapons, the armor and His very own Spirit to win the battle.

DEMONS

Demons, also called evil and unclean spirits, are fallen angels and now members of Satan’s hierarchy in the world. They are pervasive. Their ruthless activities are described in New Testament Scripture 71 times. A significant portion of Jesus’ ministry involved casting out demons.

GOAL OF DARK KINGDOM

Satan’s primary motive is to defeat God’s plan of grace offered to humanity through Jesus and to maintain his Kingdom of evil. He is driven by hatred of God and mankind.

Satan by nature and character is a murderer and the father of lies. His goal is nothing less than our spiritual death. Satan and his demons strive to get us to believe in anything other than Jesus as the only Way, the Truth and the Life.

Read: John 8:42-44 • 1 Peter 5:8 • John 14:6
Satan is cunning. He uses multiple tactics to gain control over people. He will use deception, fear and temptation to lead us to a point where he can undermine and destroy our faith in God and ultimately, even our lives.

Faith in Jesus, by contrast, breaks the bondages of sin and gives us freedom with an abundant life.

**JESUS VS. SATAN**

Demons carry out Satan’s tactics on our own, personal level. They use every means to block us from drawing near to God and surrendering our lives to the Lordship of Jesus.

Common strategies of these evil spirits are to create doubt, fear and unbelief. They magnify our desire to love having control over our lives, including comfort, power and approval of people, more than the approval and love of God and His ways. They arouse our emotions to be angry, to be resentful, to lust after things and people and to engage in self-destructive addictions. If they cannot tempt us into sinful behavior, then they will cause us to be proud of not committing overt sins. Pride, and pride in the personal control of our life, is a root of sin.

The Holy Spirit, by contrast, gives us love, joy, peace, patience, kindness, gentleness and self-control by His power.

Satan’s demons seduce people in various ways in order to turn them away from God’s truth and His way of living. Their goal is to kill, steal and destroy the abundant life Jesus brings to His Followers.

**Live your life under the authority of both the Living and written Word of God. Abide in Him.**

By exercising the authority and spiritual weapons given by Jesus to His true believers, you can be set free of evil spirits’ influences. However, these agents of the Dark Kingdom will not give up on opposing you and always trying to block you from living God’s way. Satan even tempted Jesus! Steadily abiding in Jesus keeps you from being an easy target and protects you during future attacks.

It is the Spirit who gives life; the flesh profits nothing. John 6:63a

We are inundated today by false beliefs, deceptions and temptations that come from this perverted world we live in. Our sinful nature is susceptible to being influenced and misled by these ideas and images. They appeal to our own desire for approval, control, wealth and comfort. Satan and his host of demons are the powers behind these evil influences.

THE WORLD

The culture we live in opposes, tempts, oppresses and distracts us from living God’s way.

The committed followers of Jesus are in the world, but they are not to be “of the world.” We are not to love the world or the things of this world. We were formerly of the world, but now we are set apart and sanctified by His Spirit for God’s purposes.

THE WORLD

AND OUR FLESH

The Enlightenment era mixed biblical truth with secular logic. The current neo-pagan movement is redefining God into a goddess and replacing spiritual truths with spiritual lies. This spiritualism justifies worship of the creation instead of the Creator and thus legalizes immorality—since we are part of the creation. Compromised biblical truths and pagan spirituality are both under judgment from the God of Truth—“. . .the only wise God.”

Peace and fulfillment are blessings that only God can provide. PRAYER

This is a spiritual war, so the weapons you employ must be spiritual. Prayer empowered by the Holy Spirit is the way to begin the battle. You must be communicating with Jesus and abiding in Him. With the power of the Holy Spirit we can overcome the world’s ungodly influences. We particularly need to minimize the influences of unhealthy relationships and our exposure to the toxins of the media. Instead, we are to practice filling our minds with God’s Word and healthy thoughts.

Personal Reflection Questions

In what ways are you significantly influenced by our culture?

OUR FLESH

For the purpose of this study, our flesh is considered to be the nature and character we were born with. Biblically, it is also referred to as, "the old nature," "the old man" and "the old self." These references have a negative connotation because they represent our natural traits that sometimes influence our attitudes and activities in an ungodly way.

When you committed your life to the Lordship of Jesus, you were spiritually born again and given a new nature when the Holy Spirit came into your heart. The supernatural, transforming works of God are then done by the power of His Spirit working in you—not through your own human effort.

What can you change to reduce the influence of the world on your life?
By faith we are to consider our old nature crucified with Christ Jesus so that we are no longer to be slaves to sin. We can walk in the newness of the life available to us through Jesus and exhibit the fruit of His Spirit. Baptism beautifully symbolizes the old man (our flesh) being buried and the “new man” raised with Christ into new life.

Romans 6:1-22; 8:5-17

Since we have been given new spiritual life, our sinful nature doesn’t have to dominate our beliefs and practices any longer. The challenge is to have the humility, commitment and self-control to cooperate with the transforming work of the Holy Spirit. We cannot change ourselves by our own efforts, no matter how diligently we try. We will only become discouraged. As we mature in our walk of faith, we are gradually being transformed by His Spirit from the inside out.

SPIRITUAL BATTLE

Regardless of whether you believe it or understand it, you are in a spiritual battle. If you choose to live for Jesus, you are under His protection. If you do not choose God’s way, you are by default subject to Satan’s domain: the Kingdom of Darkness. There is no neutral ground.

Soldiers train before going into battle. They must be well prepared physically, mentally and emotionally. Soldiers must learn the principles of the army, become disciplined to follow and apply them and learn to obey commands without question.

In Spiritual Warfare you train spiritually by prayer, Bible study and obedience. Prayer offered through a personal relationship with Jesus is your communication with your Commander. You learn God’s ways and what He expects of you through studying the Bible and listening to His Holy Spirit. You become disciplined and trained to obey by practicing life according to His way.

Soldiers are normally formed into units and trained by veterans. They learn the principles of warfare and how to use the weapons they will need. The men in the unit learn to depend on each other in combat. If they don’t protect each other, they will be killed by the enemy.

As disciples in God’s Army, we are trained for battle by mature Christian leaders who teach us the principles and truths of God’s Word. They equip us to use His weapons of spiritual warfare. We learn to band together in fellowship with other believers in the Body of Christ as we train.

TRAINING FOR BATTLE

The Bible is our training manual for participation in God’s Army. As a committed soldier for Christ, we learn the Lord’s ways by its study and choose to live by them—rather than by what we want, we think, or we feel. To be prepared for spiritual battle, we must be habitually practicing a soldier-like, disciplined life.

II Timothy 2:1-4

Personal Reflection Questions

How are you practicing living God’s way?

Recognizing that evil spirits are influencing your life can be more than unsettling for any of us. Are you willing to accept this reality in your life? If you are, ask the Lord Jesus to show you what and how they influence you. Keep asking until He reveals a clear answer that you can write down.

If you don’t believe there are supernatural obstacles to your walk with Jesus, ask Him to show them to you. Keep asking for spiritual discernment until you can identify and write down these obstacles.

The Holy Spirit within you will train and equip you for war in the spirit realm. He reveals God’s Word and His ways. You can develop a relationship with the Holy Spirit by regular prayer and communication. To be open to the Spirit’s leading requires intentionally yielding yourself to His direction. You can know you are abiding in Jesus and He in you by the presence of His Spirit.

Personal Reflection Question

How have you experienced the presence and leading of the Holy Spirit?

Like the Apostle Paul, you will find yourself doing things you don’t want to do. Unholy activities and alliances can become open doors for evil, supernatural beings to harass and control you. TAKE ACTION

** ACTION STEP 1

Confess all known sins you have committed against God and His way of living. Repent and turn away from them so you can be forgiven—and not leave an open door for the devil’s desire. If you are not willing to give up a bad habit, ask the Lord to make you willing.
